Never a dull moment :)

Great exercise too-!

What a blast!

Teams of two or three people will set out from West Montrose for an Amazing Race down the Grand River and surrounding area. The race will take teams through many different challenges where they may gain or lose valuable time - pushing individual and team skills to the limit. Pledge level incentives provide teams with the ability to gain the 'perks' they may need to be the most amazing team of them all! But because it's so amazing, only a limited number of teams will be able to race... so team entry is on a first come, first served basis.

Based on the speed and 'perks' that teams will achieve, this race could take anywhere from one to three hours... or so we think.
