

LOOKING FOR A CREATIVE NEW WAY TO FUNDRAISE?

It's not magazine, cookie or pizza dough sales or even a coupon book. It's new and very different from what you have done.

AND best of all, it's 100% NOT FOR PROFIT!

PAMPER YOURSELF FOR A YEAR LOTTERY

With only 5000 tickets being sold, you could help your group raise some much needed funds!

Since everyone's idea of what being 'Pampered' is, varies greatly so why not give them the choice of what they want? That way, every prize is exactly what the winner always wanted, no matter who the winner is! This makes it easier to sell tickets as the prize is no longer an issue that someone may already have, doesn't want or couldn't store the item you are trying to raffle off.

- All funds are donated back to Kin Club of Woolwich or YOUR group for selling tickets
- No person or corporation makes a profit from sales
- Share your goals with us and we will work out the details to ensure your group has the proper signage, tickets and information in order to hit your fund raising goals
- Start working on your sales plan so you can determine how many tickets you would like to sell
